

## Press release

6 September 2024

### Promotions within the investment team in France and Italy.

Argos Wityu, an independent European investment fund, has promoted **Vincent Yacoub (Paris)**, **Nicola Honorati (Milan)**, **Gabriele Scalco (Milan)** as Directors, and **Stanislas Guichot-Pérère (Paris)** as Investment Manager.

The Argos team comprises 70 employees in its 7 European offices.

**Karel Kroupa, Managing Partner at Argos Wityu**, said, "The essence of our group has always been to nurture and promote talent. Today, we are thrilled to announce the promotion of four remarkable individuals. This advancement within our team also supports our growth and increasing investment opportunities in the mid-market private equity segment."

The graphic features the Argos Wityu logo in the top right corner. On the left, the text reads "Promotions 2024 within Argos Wityu" followed by "INVESTMENT MANAGERS, DIRECTORS" in a smaller font. Below this, four black and white headshots of the promoted individuals are arranged horizontally. Each headshot is accompanied by a caption in gold text: Vincent Yacoub (New Director, France), Nicola Honorati (New Director, Italy), Gabriele Scalco (New Director, Italy), and Stanislas Guichot-Pérère (New Investment Manager, France).

**About Argos Wityu**

[argos.wityu.fund](https://argos.wityu.fund)

One firm, two strategies. Argos Wityu is an independent European private-equity group that supports the growth of mid-sized business and back their management teams.

With more that €1.8 billion assets under management, over 30 years of experience and more than 90 businesses supported, Argos Wityu operates from offices in Amsterdam, Brussels, Frankfurt, Geneva, Luxembourg, Milan, and Paris. The group seeks to acquire majority stakes and invests between €10m and €100m in each investment of its two strategies:

- The Mid-Market fund helps companies implement ownership transitions to accelerate growth.
- The Argos Climate Action fund (SFDR 9) aims at shaping European sustainable leaders by making their 'grey-to-green' transition.
