**Louis Godron, Managing Partner at Argos Wityu** “We are very proud of the strong mobilization of the Argos team to support Médecins Sans Frontières/Doctors Without Borders. As a board member of their Foundation, I can confirm the effective operational power of this NGO and the quality of its management and logistics. Indeed, Médecins Sans Frontières/Doctors Without Borders has strong expertise in delivering aid in very troubled situations. We found that helping MSF was probably one of the most effective ways to deliver aid inside Ukraine, where medical assistance is sadly becoming vital.”
